Dear Craig,

Please find enclosed letters, pictures and thanks written by the Pittwater House Junior School participants on our Annual Surf Educate Programme at Manly Beach. As the outgoing headmaster I will make it a priority to impress upon Mr Alan Caradus, the new headmaster, the wonderful outcomes from your programme.

Please pass on my thanks to the staff who worked with 'my children' this year. Children, parents and teachers have all sung their praises. Having been involved in Surf Educate since its inception, I too share your joy of seeing young children learning about the surf whilst enjoying the experience. I applaud your dedication and vision.

May I take this opportunity in wishing you, your lovely wife Rebecca, Scott and all your team a very happy Christmas and a safe new year.

Yours sincerely,

R.I. Parsons
